AFFAIRS AT SOUTH OMAHA

Top Price for Hogs Was Realized on Saturday.

CHOICE LOAD BROUGHT \$7.40 Shortage in Receipts of Hogs Main

Cause of High Price and Cattle Lambs Also

The extreme top price for hogs this year was paid Saturday, when a choice load of sixty hogs brought \$7.40 per hundred. The prices have been mending for a week or more and the bulk of the sales have been close around \$7.20. One reason for the good prices of late has been light receipts. After a good run for the season until May the receipts dropped off, as compared with last year, until a difference of nearly 30,000 has arisen since May I. The actual difference has been 70,000, representing the decrease in hogs, but about the first of the month the receipts, which had been gradually gaining, began to fose again. One reason for the decrease has been that the late spring has at last brought all the work of planting on with a great rush and the farmers, in spite of the tempting prices, have had no time to market their hogs. Only 40,000 hogs were received in South

Omaha during the week. Cattle have gained 20 to 25 cents during the week and the receipts show an increase over last year of about 10,000.

The prices paid for lambs have been ery high during the week. As high as \$9.35 for the tops has been paid. Receipts

have been light in all respects. Live Stock Exchange and Banks. In line with the investigations of the omptroller of the currency respecting the application of the several banks of South Omaha to be placed on the list of reserve cities, and what has been conceived as an Live Stock exchange, at a special meeting held May 13, unanimously decided to throw the weight of its influence on the side of

the South Omaha banks. The investigations of the comptroller have been in progress for some weeks and as a reserve city is that the surplus reserve of numerous country banks may be deposited in the large banks of South Omaha as provided by the national banking laws. In order to facilitate the investigations and to leave the way clear the exchange adopted resolutions directed to the Omaha banks that they might see fit to withdraw the objections at Wash-

It is variously estimated that if the ness store. wishes of the South Omaha bankers are granted in accord with the application as much as \$500,000 in deposits may be very soon transferred to South Omaha. It is threatened by the South Omaha banks that they will withdraw from the clearing house if the Omaha banks persist in opposing.

Baker Brothers Lost Game. A good crowd of rooters were out yesterday afternoon to support the South Omaha Country club team, which defeated South Omaha club grounds. The day was perfect, but the field was heavy. Both teams did good work and the low score of 4 to 3, indicates close playing. Cavanof 4 to 3, indicates close playing. Cavanaugh and Fletcher for the South Omaha Country club and Quigley and Brugemann for the Baken Brothers leam were the star performers. Three two base hits were recorded. Quigley was loaned to Baker

Brothers from the South Omaha Country Severals matches in golf were enjoyed were won by J. J. Fitzgerald. Richard Laverty played close second during the first 18 holes, but in the second game of the afternoon had a streak of bad luck. Many games will be played this after-

noon.

A special meeting of the West Side Improvement club is called at Rex hall at 2 p. m. today.
